Do It Yourself Fundraising Tool Kit
Welcome, Friends!

We are very excited to hear you are willing to host a fundraiser on our behalf!

Unique and fun events are held throughout the year by school clubs, local businesses, community groups, and individuals to show their passion for animals. Your generous support helps us carry out our mission of creating a more humane community through education; rescuing, protecting and enhancing the lives of animals; and nurturing the bond between animals and people.

Fundraisers can be anything from bake sales, sports tournaments, dress down days or pet supply drives. There is no set amount you need to raise and no time-frame for organizing.

Enclosed are some guidelines, tips and an event application you will need to fill out. If you have any questions, please do not hesitate to contact me at 716-875-7360 ext. 230 or at caitlinf@yourspca.org

I look forward to working with you!

Caitlin Fager
Events Coordinator
Guidelines

1. Organizers must sign a DIY Fundraising application. Once the application has been submitted, I will do my best to contact interested parties within two business weeks regarding our decision. Please do not move forward with your plans until you have been notified of our decision.

2. When referring to the SPCA in any event promotions, please use the organization’s official title, The SPCA Serving Erie County.

3. In most cases, due to budget and resource constraints, the SPCA is unable to provide staff or volunteers for your function. If you feel, however, that staff or volunteer presence is needed at your event, please contact me and I will work with you and see what we can arrange together.

4. The SPCA is unable to supply adoptable animals to your event.

5. The SPCA is a non-profit tax-exempt organization. The SPCA cannot provide copies of our tax-exempt certificate to non-employees.

6. If your event includes any promotional printed materials, please let me know so that I can send you the SPCA’s official logo. I would also like to see any promotional materials that you will be using.

7. The SPCA is unable to post fliers or other information about your event in the shelter or in adoption packets.

10. The SPCA is unable to provide the addresses of our donors, patrons, staff, board members, and volunteers.

11. If partial proceeds of your event will be donated to the SPCA, please let me know what percentage will be donated to the SPCA. It is your responsibility to advertise the fact that partial proceeds will benefit the SPCA on all of your event materials.

12. Please notify me if your event will be benefiting any additional organizations.

13. If you would like exposure on our website, YourSPCA.org, please email me at least two months in advance of your event and I will share it on our calendar.

14. If you will be doing any printing, we ask that you please contact our official printer, Dual Print & Mail, for a quote. Their phone number is 1-800-358-4348.

15. The SPCA Serving Erie County has a promotional and publicity calendar that is composed of targeted marketing plans for the SPCA’s pre-existing events, programs, services, and more. In accordance with this calendar, the SPCA’s television, radio, and newspaper releases are already confirmed and we are unable to release news of community fundraisers and events to external media sources.

16. Your event will be promoted in a manner to avoid statement or appearance of the SPCA Serving Erie County endorsing any product, firm, organization, individual or service.

17. Event organizers are responsible for obtaining all permits, especially those for raffles and/or games of chance. You must also obtain your own liability insurance to cover the event.

18. Due to the number of requests we receive, the SPCA Serving Erie County cannot guarantee to promote your event on our social media platforms.
What is a DIY Fundraiser?

A DIY fundraiser is any fundraising activity organized by a non-affiliated group or individual where the SPCA Serving Erie County has no fiduciary responsibility and little or no staff involvement.

The path to launching a DIY event typically begins with a plan of action that is presented to the SPCA. The group or individual must submit a signed DIY Fundraiser application. Upon careful review, we will assist the organizers in examining a variety of factors to determine if the proposed event is viable.

Although we actively encourage DIY fundraising events, all events must be approved by SPCA in advance. This is an important safeguard to preserving the integrity of the SPCA’s name and our commitment to raise the funds necessary to fulfill our mission in an efficient manner.

While we may be able to provide guidance for your event, we do not have the personnel to handle the organizational and administrative tasks associated with DIY fundraisers. The organizer is responsible for all details, which include the following:

- Underwriting all of the related costs
- Recruiting volunteers to help out at the event
- Writing all letters, including sponsor requests and thank you letters, to potential donors, patrons, etc.
- Creating fliers to publicize the event
- Working at the actual event

Fundraising Ideas

Collect in-kind donations: The SPCA Serving Erie County has a wish list posted on our Website: YourSPCA.org. (This list can also be mailed to you.)

Host a special event: Host a happy hour, a basket raffle, meat raffle, etc.

Organize a workplace competition: Ask your co-workers to participate in a baking competition, talent show or photo contest and donate the entry fees to the SPCA.

Host a sporting activity: Host a golf tournament, a 5K, bowling tournament, etc.

Host an event: Organize a dog wash/car wash or chicken BBQ -- maybe your local grocer or gas station will allow you to set up in their parking lot!

Hold a dress down day: Ask your employer to hold a dress down day to benefit the SPCA. Another great work idea is to hold a weekly 50/50 split club drawing.

Start a monthly club: Organize a book or dinner club and collect a small donation each month to donate at the end of the year.

Sell your forgotten treasures: Host a yard sale or sell your items on eBay or Craigslist
Group/Organization planning event: _____________________________________________________________

Individual(s) in charge: __________________________________________________________________________

Address: _________________________________________________________________________________

Phone: _________________________________ Email: ____________________________________________

Name of Event: ____________________________________________________________________________

Date & Time: ____________________________ Location:___________________________________________
